This particular farmhouse on two levels has been renovated in traditional style according to the criteria of green building and covers a total area of 200 square meters. On the ground floor, unlike how it is generally used, the sleeping area was built with a double bedroom with private bathroom, a single bedroom, a study and a bathroom; On the first floor there are the living area with terrace and a double bedroom with bathroom. The surrounding land is about 1 hectare. The property is a bit isolated and the first village is about a 5-minute drive away.
