In the Municipality of San Casciano dei Bagni (spa town), we offer the sale of a charming ground-floor house of about 130 square meters divided into ground, first and second floors. On the ground floor, in addition to the entrance with entrance corridor and staircase to access the upper floor, there is a large bedroom with large window and bathroom with shower and window, while on the first floor there is an open space with kitchen and living room plus a bathroom with shower. Going up to the second floor we find two double bedrooms. The renovation has kept the characteristics of the place intact, in fact there are still ceilings with beams and bricks and the terracotta floor. The property can be used as a main or secondary residence for holidays, given the proximity of about 30 minutes to the A1 motorway exit Chiusi-Chianciano Terme.
