In the splendid Val D'Orcia and precisely in the village of Celle Sul Rigo, we offer a house of about 150 square meters with frescoed ceilings that testify the characteristics of a historic-noble house. On the ground floor there are two warehouses and a former shop with bathroom and cellar, while on the first floor there is a living-dining room, kitchen, two bedrooms and a bathroom. With a comfortable staircase you can access the attics which can be used as a technical center and clearing rooms. The building is in a good state of maintenance and needs small modernization works to make it more modern and comfortable.
