Ancient farmhouse in San Gimignano. Immersed in the natural beauty of the Sienese hills, this ancient Tuscan farmhouse is the ideal solution for those looking for a property in the heart of Tuscany just a few kilometers from important Tuscan cities. Located a few minutes from the art cities of San Gimignano, Volterra, Siena, Monteriggioni and Florence, the farmhouse has a swimming pool and a large garden, ideal for enjoying the sun and the panoramic view of the Tuscan countryside. The farmhouse is divided into two apartments, both featuring 3 double bedrooms with private bathrooms and an equipped kitchen. On the ground floor there are a spacious living room, a kitchen and three double bedrooms, while on the upper floor there are a further three double bedrooms, three bathrooms and another kitchen-living room. With its strategic position and rustic beauty, this Tuscan farmhouse is the perfect choice for those who wish to explore the Tuscan cities of art and enjoy an unforgettable holiday in wonderful Tuscany. This property represents the ideal solution both for those who want to start an accommodation business and for those looking for a holiday home, thanks to its versatile configuration and location.
