In the characteristic square of the fortress of Trequanda, with the Church of Saints Peter and Paul in Romanesque, Gothic and Baroque style, there is this elegant 140 m2 apartment, fully furnished and renovated with high quality finishes. The furniture of aesthetic and functional quality harmoniously, with its soft colors, combines with timeless materials such as wood and stones. The main door leads into a spacious living room with bar corner, dining table and sitting area with stone fireplace to then access all the other rooms. Eat-in kitchen with rustic fireplace and panoramic window, bathroom with windowed shower cubicle, double bedroom with wardrobe room and window with view. Furthermore, the living room also leads into a large room without windows which could be used as a kitchen area by replacing the existing one in a second bedroom. Last but not least, the comfortable 25 m2 garage that is easily accessible as a garage.

PIANO SECONDO SECOND FLOOR
