Apartment in the historic center of Montepulciano. In the heart of the historic center of Montepulciano, inside a Renaissance palace we offer you this wonderful apartment with an incredible panoramic view of the hills, the vineyards of Montepulciano and the historic center. The apartment is located on the second floor and consists of a living area with kitchen/dining room and living room, from this floor you can go up or down to reach the two bedrooms. The two bedrooms are on two different floors and this makes the apartment lively and the two bedrooms independent, in fact the bedroom on the upper floor also has an independent entrance on the third floor of the building. A particular and special apartment inside one of the most important buildings in Montepulciano, completely renovated, building built in 1500, where the various coats of arms of the family who had it built have been recovered, lift that allows us to reach the apartment comfortably which is located on the second floor, as you enter you cannot help but be breathless, panoramic view of the hills of Montepulciano, the vineyards and olive groves, Lake Trasimeno and Cortona, from the side window we have the panoramic view on the village and the streets of the historic center of Montepulciano. The apartment is sold furnished, and has been furnished with great taste, combining style and modernity and with all unique pieces made to measure by local artisans, such as the chairs, the table, and the sofa bed, there are lights by Botero designer by Manuel Viviani or Ingo Maurer, Gervasoni armchairs, Cosatto bed in wrought iron. We are located in a central position in the historic center very close to the large car park and therefore easy to reach at the same time we are both close to Piazza Grande and the Pozzo di Pulcinella. The historic center of Montepulciano is a lively historic center for all 12 months of the year with restaurants and shops always open and festivals during both summer and winter.
