In the area of San Casciano dei Bagni, in a very quiet area, we find this historic farmhouse. The property needs to be reconstructed completely for a total area of about 600 square meters. What makes this farmhouse even more unique is its location, in the immediate vicinity of the properties of entrepreneurs and famous actors all over the world. The property is surrounded by a land of about 7,000 square meters. The property is a ruin and a renovation project is expected to be consulted at our ref. 155.
